The Archdiocese mandates that church volunteers that work directly with children as well as others who may come into contact with children, complete Safe Environment training. Also, anyone trained prior to 2013 must go through the training again with the current material. Several training dates will be offered this summer. Current volunteers in the church, will be notified if you are required to go through training again. If you would like to start volunteering, you are certainly welcome to come and complete this process so you are go to go in the ministry God is calling you to. Los voluntarios actuales en la iglesia serán notificados si se le exige que continúe con la capacitación nuevamente. Si desea comenzar a ofrecerse como voluntario, sin duda puede venir y completar este proceso para ir al ministerio que Dios lo está llamando.
